FINAL NOTICE: Unclaimed Postal Packages

The Anguilla Postal Service wishes to inform that it has received via **International Mail** a number of postal packages addressed to private individuals and business entities in Anguilla, which remain unclaimed, despite several notices of arrival. Unfortunately, we have been unable to contact some of the addressees of these packages due to missing or incomplete contact details provided by the sender.

Each addressee (*or duly authorised representative*) on the list enclosed is hereby requested to visit the General Delivery counter at the General Post Office, as soon as possible, for the **collection** of these unclaimed postal packages which include *parcels, small packets, registered items and EMS items*. Collection is subject to customs clearance and the payment of all necessary postal and customs charges. If available, please remember to bring with you all relevant invoices and receipts.

In line with regulations made under the *R.S.A. c. P60 Post Office Act*, after 14 days unclaimed postal items attract storage fees of 50¢ per day. Please be advised that all postal packages, which remain **unclaimed by Wednesday, 30th June, 2021** will be **returned to sender** or handed over to H.M. Customs for **disposal by public auction**.

For more information and other mail inquiries, feel free to contact our Mail Services team at 497-2528 or via e-mail us at post.office@gov.ai.

Regards,

Khamal Harding Hodge

Deputy Postmaster General – *Operations and International Postal Affairs*
