Dear All,

Please see below a query received by the Department of Health Protection via the Procurement Unit :

Ref: Solid Waste Management and Solid Waste Collections (in WRITING) as per instructions

With respect to "Schedule E Section 1: Bid Form Formal Offer" on page 4 of 29, please guide us into what "Contract Number" number should be placed therein? License number, Receipt number, another number, or leave that space blank?

Kindly note our response below:

Please note the contract number to be used in completing the 'Bid Form – Formal Offer' in Schedule E Section 1 for:

- 1) Collection bids – contract number DHP/560/2
- 2) Disposal bids – contract number DHP/560/1

Regards,
