

**LAND DEVELOPMENT CONTROL COMMITTEE
MINUTES OF THE EXTRA-ORDINARY MEETING HELD ON
16 MAY 2014**

13/0277 Office, The Valley (Block 48814B/253 – Lot 4) **Alex Richardson**

Refused

The parcel of land identified to site the proposed office is already earmarked for another purpose by Government of Anguilla. Therefore, to permit the proposed development would prejudice the use for which the land has already been allocated.
